Dear Mr. Weaver:

Re: Site Inspection, FS Industries, Ltd., Vernal Phosphate Operations, M/047/007,
Uintah County Utah

This letter is to confirm the date and time of a site inspection at your mine site as discussed in our telephone conversation on August 13, 1992.

I will plan on arriving at your site on Wednesday, September 2, 1992 at 9:00 a.m. The purpose of this inspection is twofold: (1) to evaluate the current status of the mining operation and any reclamation, and (2) to evaluate the reclamation surety estimate prior to the five year renewal. Please contact me if a conflict with this date or time arises.

Thank you for your cooperation in scheduling this permitting activity.

Sincerely,

A handwritten signature in cursive script that reads "Anthony A. Gallegos".

Anthony A. Gallegos
Reclamation Engineer
